

## EDITORIAL

Dear Readers

Learning is not just about acquiring knowledge but also about experimenting, exploring, and metamorphosing. It's about striving beyond one's comfort zone, sampling unfamiliar pursuits, committing errors and gaining wisdom.

Embarking on explorations facilitates in realizing new things about yourself and the world around you. It also helps you to foster skills and interests, which can pave the way for new prospects and experiences.

Evolving is an important part of learning because it means continuously progressing and developing. This can involve reflecting on your experiences, learning from your mistakes, soliciting input from external sources and adapting to new situations.

So, embrace the process of learning, and don't be afraid to experiment, explore, and metamorphose. Remember that every experience is a window for mastering something new, and personal development.

## DAZZLING DIWALI

The Festival of Lights was celebrated in school with religious zeal and devotion. The campus wore a festive look with ornamented diyas and lanterns adorning the reception and corridors. Students took part in a wide array of activities. Their creative and stunning rangoli designs, showcasing perfect harmony of colours and patterns, transformed the space into a captivating and festive ambience which allured the spectators. Glittering diyas beautified by our little artists was also one of the most vibrant attractions of the event. Savoury delicacies were prepared and served by our little chefs during the Fireless Cooking Activity.

Pupils were briefed about the adverse impacts of burning crackers and were urged to celebrate the festival with candles, sweets and non-polluting green crackers. The day drew to a close with lots of joy and happiness sparkling on the faces of everyone.

## CHILDREN'S DAY

**"Every child is a different kind of flower that altogether makes the world a beautiful garden."**

Children's Day was celebrated with vigour and enthusiasm by the children and teachers of DPS, Nava Raipur. The occasion was made memorable for the little ones by a special assembly organized by the teachers. A melodious medley of songs was presented, followed by a spectacular dance performance by the mentors. The highlight of the day was the sports and fun activities organized by the Sports Department. The students were thoroughly entertained by the screening of animated movies coupled with scrumptious snacks. Their happiness knew no bounds when they were presented with goodie bags, lovingly prepared by their educators. The day concluded with a lasting impression on the children, as they went home happily, feeling special and carrying memories to be cherished forever.

## RHYTHM IN MOTION

To inculcate rhythm and melody amongst students, dance sessions of various forms are conducted for our dazzling dancers regularly. The young learners indubitably observe a rejuvenating experience during these sessions. Earnest efforts are taken to train them with focused emphasis on poses, expressions, body movements and footwork. In the process, they get acquainted with the rich cultural heritage of India and the origins of the diverse dance forms.

Keeping in tandem with the spirit, the Solo Dance Activity was organized for the aspiring learners on 23<sup>rd</sup> November, 2022. The beautiful blend of artistry and technique exhibited by the performers, was undoubtedly phenomenal.

## SPIN THE WHEEL

To combat stage fear, speak with conviction and understand the significance of expression of speech, Spin the Wheel Activity was organised on 30<sup>th</sup> November, 2022. It was an attempt to infuse formal and informal conversation to model effective use of language according to the levels of the learners, while at the same time encouraging critical thinking and enabling the wise wizards to peep into the new world of vocabulary. Brainstorming for letters, phonetics, vocabulary, syntax and extempore were the different phases of this engaging activity. The session also enabled the tiny tots to enhance their communication skills and present their views confidently.

## MATHEMAGIC

National Mathematics Day was celebrated to commemorate the birth anniversary of India's famous mathematician Srinivasa Iyengar Ramanujan. The main aim of the celebration was to ignite a passion for numbers among the students. The day commenced with a special assembly, highlighting the significance of mathematics in our daily lives and promoting its importance as a discipline. The learners participated enthusiastically in the multifarious engaging maths activities conducted with the aim to foster mathematical skills and critical thinking.

## *NATIONAL ENERGY CONSERVATION DAY*

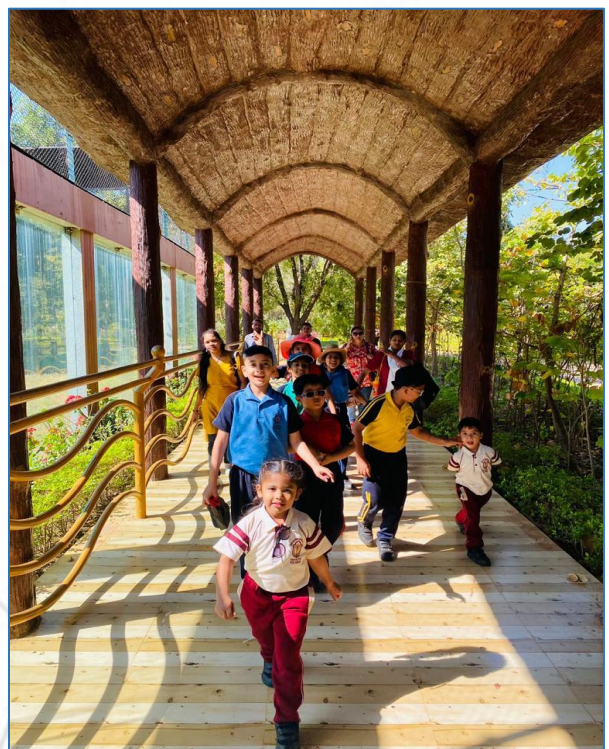

The observance of National Energy Conservation Day on 14<sup>th</sup> December, 2022 at our school, achieved remarkable outcomes in spreading awareness and nurturing accountability towards sustainable energy use. In pursuit of a green future, sowing seeds of hope and growth for the morrow, the students were sensitized about the paramount role of energy conservation in preservation of the environment and natural resources.

Students exuberantly participated in the wide-ranging activities orchestrated to explore extended notions for saving electricity, water, plants and other natural resources, under the guidance of their teachers.

## *TRIP TO JUNGLE SAFARI*

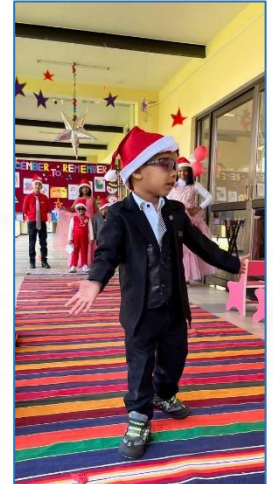

The spirits of the students were on cloud nine, as a field trip to Jungle Safari was organized for them. They got an opportunity to spend a day in nature's lap, learn more about wildlife and experience the beauty of nature up-close, outside the confines of their textbooks.

## DECEMBER TO REMEMBER

Christmas is a festival celebrated all over the world, teaching us the significance of giving love and sharing happiness. The anticipation to open presents gifted by our close ones, the aroma of togetherness, and spending time with our loved ones - this is the essence of Christmas and this is what brings people of different faiths and religions together worldwide. To revel in the spirit of this joyful occasion, students participated in various art activities and facilitated a special assembly under the supervision of their instructors. Soothing songs, dazzling dance performances and charismatic carols were the highlights of the programme.

## Harvest Food Fiesta

The Harvest Food Fiesta in DPS, Nava Raipur, was a feast for the senses. The school premises was transformed into a bustling food fair graced by the presence of family members of the pupils and tiny tots of DPS Raipur. The key intent behind this culinary extravaganza was to cognize the children of the diverse culinary traditions of our country's Harvest Festival. Beautifully showcasing the signature dishes of eight major Indian states, the fiesta tantalized the taste buds of all attendees. Dressed up in the attire of the state allocated to them along with a welcome note in that very state's language, the little Dipsites relished this flavourful learning experience.

## ART INTEGRATED PROJECT

It was a fun-filled and simultaneously value-boosting day for all the children as they had a great time without books. This gave them a wonderful opportunity to explore the topic, 'Balanced Diet' by drawing, colouring, expressing their hearts out on canvas, writing and reciting poems, narrating stories, solving puzzles and riddles; doing nothing at all with books - but just pausing in to sink in the joy of experiential learning. The fusion of visual arts (drawing, painting and PowerPoint presentations) with core subjects and collaborative learning with an element of fun, proved to be an impactful way for the little kids to engage with their education.

## CURIOSITY PAYS

Tiny tots of Pre-Primary, Pratishtha Sahu (Nursery), Ansh Banjare (Nursery), and Vedansh Pandey (KG I) secured Gold Medal for their exemplary performance in IQ Conquest Olympiad held in 2022-23. The trio emphatically proved their mettle amongst more than 60,000 competitors from multitudes of schools all over India.

## NATIONAL MATHS OLYMPIAD

Delhi Public School, Nava Raipur accolades its young achievers of the International Maths Olympiad conducted by SOF, for being adjudged as the winners of the Gold Medal of Excellence. Dipsites - Maahir Jain of Class I and Neeraj Prajapati of Class III bagged the Award of Excellence, receiving gold medals.

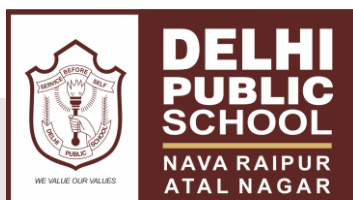

## हिंदी पखवाड़ा
