

Editorial

Dear Readers,

As we embark on another academic year, I sought to take a moment to emphasize the significance of Co-Curricular activities in the school community.

Co-curricular activities are not just a break from the regular classes; they are an indispensable part of children's holistic development. Through these activities, students learn teamwork, leadership, and time management skills. These activities offer them with opportunities to explore their interest and passion beyond textbooks, fostering creativity and innovation.

Additionally, celebrating festivals and special days in the school holds great importance. These junctures are not merely events; they are moments that bind the team together as a family. By observing festivals, we respect and appreciate the diverse cultures and traditions within our community. It promotes understanding, tolerance, and harmony, making the school a vibrant and inclusive space for everyone.

So, I encourage the little learners to actively participate in various activities and engage wholeheartedly in celebrations and embrace these experiences, for they will not only enrich their school life but also silhouette their character and prepare them for the challenges of the future.

Happy Reading!

Neelu Dhir

Headmistress

EVENTS UPDATE

The Genesis 2023

On the first day of the new session, students were welcomed with a series of exciting activities. The school administration had planned an array of fun-filled activities to make the students feel comfortable and relaxed in their new surroundings. The little learners participated in several games and icebreakers, which allowed them to interact with their peers. The mentors made sure that the first day of school was memorable and enjoyable for all the students. There is collective anticipation of providing a nurturing and stimulating learning environment for all the dipsites in the forthcoming academic year.

Foundation Day

To mark the establishment of our institution, the First Foundation Day of the school was observed on 30th June. A special assembly was conducted by the tiny tots followed by a plantation drive to honor the values and the promise of a bright future, that our institution holds.

Father's Day

Fathers wield the most profound impact on children's development and upbringing. Undoubtedly, they are the pillars of strength and cascades of perception. As an expression of fondness and esteem, the kindergarteners and the juniors presented beautiful cards and badges to their fathers to commemorate and acknowledge them for their unconditional love and guardianship, on Father's Day.

World Environment Day

'Ecosystem Restoration' was the cynosure of World Environment Day. Plantation drive and Best out of Waste activities were carried out for the juniors with ingenuity to permeate their concern for saving the Earth. They were also made aware about the ways by which we can save our planet, specifically speaking, by inculcating the concept of 3R's- Reduce, Re-use & Recycle, as "there is no planet B".

Shimmery Summer Day

Shimmery Summer Day was organized on 13th April, '23 to provide the students with an opportunity to have fun and engage in different sun-soaked activities like games, art and craft, and fireless cooking, to name a few. The kids particularly relished engaging in interactive craft projects, such as crafting cards and customizing T-shirts through printing. They also savoured the delectable fruit salad and refreshing lemonade prepared by their educators.

Artistic Doodling

A learner's mind is full of stories and ideas which should be steered with the right tools to transform their imagination into successful dimensions. To skillfully translate those ideas into unique forms and for honing creativity, a free-hand drawing competition was organized in the school facility. The students' ingenuity and expression materialized to life in the competition. The gala also served as a reminder of the importance of art in education, highlighting its role in nurturing well-rounded individuals.

Clean Living Initiative

The health and hygiene activity for pre-primary kids successfully achieved its objectives of promoting good health habits among young children, when the children learned about hand washing, oral hygiene, personal cleanliness, healthy eating habits, and the prevention of common illnesses through interactive sessions, demonstrations and hands-on activities. The use of engaging techniques like storytelling, role-playing and creative art ensured active participation and enhanced comprehension among the children. By instilling these habits and knowledge at an early age, the school aims to lay a strong foundation for a life time of healthy practices among the pre-primary kids.

International Yoga Day

A special assembly on the theme - 'International Yoga Day', was conducted by the students of Grade II. The theme aimed to enlighten and inspire all the students about the transformative power of yoga in our lives. The teachers, students, and supporting staff showcased remarkable skills, confidence, resilience, and adaptability as they gracefully performed intricate yoga poses, promoting a harmonious balance of body and mind.

Elegant Script Showdown

It was a captivating event, celebrating the elegance of handwritten expressions, where young writers displayed their unique penmanship, crafting words that danced across the pages. The competition highlighted the artistry, precision, and personal touch that can only be found in handwritten communication. From flowing cursive to bold print, each stroke showcased the individuality and creativity of the contestants. The event served as a reminder that even in our digital age, the beauty of handwriting continues to inspire and captivate us all.

Table Decorum Day

Dining Decorum Activity proved to be an exciting and educational activity for kindergarteners, aimed at teaching them the importance of proper table etiquette. The day began with fun and an interactive session where children learnt about basic table manners, such as employing tableware correctly and maintaining good posture. The highlight of the day was a special brunch, where the children put their newly learnt skills into practice. They enjoyed a shared meal, demonstrating good manners and socializing with their peers. Training children about table manners, fosters social skills, respect and an appreciation for dining etiquette, setting a foundation for a lifetime of polite behavior.

Rhapsody in Rhymes

Poem recitation competition on different themes was organized with an objective to instill love for the poetic expression. The rhythmic language, thoughts, new ideas, and feelings, emphasized with the use of the child's creativity in the recitals was truly mesmerizing, as it expressed the intricacies of life.

Independence Day 2023 & Investiture Ceremony

Independence Day marks the celebration of a nation's freedom and sovereignty. On this historic occasion, the school held its inaugural investiture ceremony, instilling leadership qualities in its young students. Dipped in the hue of patriotism, the event was a symbol of peace and unity. The students undertook responsibilities, echoing the spirit of the nation's progress transforming the day into an unforgettable one, that blended the essence of independence with the promise of future leadership.

Raksha Bandhan

Trust is the invisible thread that binds relationships, just like a delicate rakhi symbolizing faith and loyalty, strengthens the bond between siblings. Both serve as reminders of love's enduring power, weaving unbreakable ties. Ergo, students were taught to create beautiful rakhis for this special occasion.

National Sports Day 2023

National Sports Day was celebrated with enthusiasm, promoting the importance of physical fitness and teamwork. The day began with an inspiring speech about Major Dhyan Chand, followed by various sports events. Students showcased their sportsmanship and dedication, making the event memorable. The celebration aimed to encourage a healthy lifestyle and a spirit of competition among the students, while fostering love for sports at the same time.

Declamation

The Declamation Competition showcased a rich tapestry of ideas, spanning mythological, traditional, and national themes. Participants eloquently delved into the realms of myths, spinning stories of Gods and heroes. This event served as a platform for voices to resonate with our nation's history, culture, and identity, fostering a profound sense of unity and pride.

Joyous Janmashtami

To seek the blessings of Lord Krishna, Janmashtami was celebrated on 6th September, 2023 with mirth and joy. The cute little kindergarteners were adorned in costumes depicting mythological characters. The tiny tots unfurled their artistic skills and made colorful bansuris, mukuts, and matkis to celebrate this special day.

Grandparents Day

Grandparents Day was a heartwarming celebration at our school, a tribute to the wisdom and love of our elders. The tiny tots sang endearing songs, played games, and danced, creating special memories with their grandparents. Handmade souvenirs, joyful laughter, and affectionate hugs were shared, filling the atmosphere with love. It was an emotive day, cherishing the bond between generations.

हिंदी दिवस

भारत की राजभाषा का सम्मान करते हुए हमारे विद्यालय में हिंदी दिवस धूमधाम से मनाया गया। यह दिन भाषणों, गायन और सांस्कृतिक कार्यक्रमों जैसी विभिन्न गतिविधियों द्वारा चिह्नित किया गया था जो हिंदी भाषा के महत्त्व और समृद्धि को बढ़ावा देते हैं, छोटे बच्चों में हमारी भाषाई विरासत पर गर्व की भावना पैदा करते हैं।
